open thinclient ®

Model BLACK.DOMINO /I

The **BLACK.DOMINO /I** is a compact and powerful ThinClient, excellently suited for both office use and deployment in clinics.

Equipped with the Intel® Celeron® Processor J, the **BLACK.DOMINO/I** delivers **robust computing power** with **low energy consumption** and ensures silent operation and low maintenance due to its fanless design. Fitted with two DisplayPorts, an elegant casing, and an additional stand, the client offers considerable versatility.

In conjunction with central management by the **openthinclient Management Server***, the openthinclient® model boots **via network (PXE)**. By using the locally integrated flash memory, the ThinClient - after the corresponding configuration in the management software* - **can also be booted locally**.

*ThinClient is delivered without an operating system and management software

Technical specifications

CPU
Intel® Celeron® Processor J
2.00 GHz

RAM
4 GB, DDR4 SO-DIMM
(max. 16 GB)

Graphics / display
Intel® UHD Graphics for Intel®
Core™ Processors 10th Gen.
2 × DisplayPort
up to 3840 x 2160 @ 60 Hz

LAN
1 × Ethernet RJ45
10/100/1000 MBit/s
supports PXE-Boot (UEFI)

Audio
1 × 3.5mm Headset
(-support -TRRS)
1 x built-in
0.5 W Speaker

Connections
2 x USB (3.2 Gen. 1)
4 x USB (2.0)

Intern
1 x mSATA

Local memory
1 × 8 GB eMMC

Power supply
12V DC-IN

Performance
approx. 10 watt

Measurements and weight
Plastic casing,
black, vertical
200 mm x 40 mm x 150 mm (HxWxD)
1020 g

Cooling
Fanless, passively cooled

Surroundings
0° - 35° Ambient temperature
In operation
20% - 80% Humidity

Guarantee
24 months Bring-in (B2B)

Certification mark
CE, FCC, LVD

Accessories (included)
external power supply
100-240V@ 50-60 Hz
Stand
VESA mount

Accessories (optional)
Warranty extension to
36, 48, 60 months
Wi-Fi Module
Fiber Optic LAN
TPM 2.0
Keyboard, Mouse

Recommended thin client software
openthinclient OS, from version 2022.x

Note
Device dissipates the developed heat via the housing. A cover can lead to damage.
